Reference to the Public Service Commission cases of Officers whose increments are withheld for want of approved service.

ORDER No. CH. S. 11762-842—G.E. 10-51-39, DATED BANGALORE, THE 27TH FEBRUARY 1952.

The grant of annual increments to Officers in time scale of pay is governed by rules laid down therefor in Articles 79 and 81 of the Mysore Service Regulations. A question has arisen whether the withholding or deferring of increments of an Officer for want of approved service may be referred to the Public Service Commission. After ascertaining the practice obtaining in the Madras and Bombay Governments and the Government of India, it is directed that the following procedure be adopted :—

Cases, where increments are proposed to be withheld or postponed for want of approved service, need not be referred to the Public Service Commission before such increments are so withheld. If, however, the increment is withheld or postponed by way of a specific penalty for charges made against the Officers, the cases of the Officers concerned be referred to the Public Service Commission if they appeal against the orders withholding or postponing their increments.

E. V. GANAPATI IYER,
Chief Secretary to Government.
